

Dear members of the Education Committee:

I am writing to express my support of Bill 175 concerning a CT Seal of Biliteracy.

As a graduate of CT public schools and language education professional in a public school district, it is my opinion that the Seal of Biliteracy will benefit all language learners who choose to pursue it. The Seal represents high expectations for student achievement, validation of language study, and college/career readiness with respect to communicative competence.

Please express your support of all CT language learners through your support of Bill 175.

Thank you for your consideration,

Bryan Daleas
